Dear Sir or Madam:

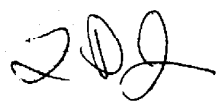

Thank-you for taking the time to discuss my application for a Special Use Permit. I am asking for your approval for several reasons. First, I believe I meet all the criteria discussed in the application and on the paperwork and conversations I have had with the office of York County.

My home is 3200 square feet. I have 5 bedrooms. The room on the 1st floor has a full bathroom facility. Our parking is more than adequate and considering I will be the only person actually working my business, I will only have one customer at a time.

The most important thing is that I have made a very important decision to stay home with my youngest child (age 10). I only want to work part time at a very small-scale basis. Just some extra income to keep me busy when my boy is at school and to have the social environment I enjoy so much.

I thank-you for your consideration on this matter. My hopes and prayers are with this decision.

Sincerely,

Tina Deibler Judson
